

# PROJECT MANAGEMENT CHALLENGE 2006

## *Third Annual NASA Project Management Conference*

### BIOGRAPHY

**Mr. Leon D. Swartz, PMP**  
***Engineering Staff, Space Operations Development***  
**United Space Alliance, LLC (USA)**

**Biography:**

Mr. Swartz is a project manager with United Space Alliance, LLC, and is currently involved in proposal development and new business acquisition as well as program management. He has over 28 years of project and business management experience and has held a wide variety of leadership positions on highly complex federal and commercial programs.

Mr. Swartz is also a member of the PMI Clear Lake / Galveston chapter and a certified Project Management Professional (PMP®). He presently serves as the Vice-President for Professional Development, and is an instructor for the chapter's PMP Exam Preparation seminar.
